The _____ saw how great man's _____ on the earth had become, and that every inclination of the thoughts of his _____ was only _____ all the time. So make yourself an _____ of cypress wood; make rooms in it and coat it with pitch inside and out. This is how you are to build it: The ark is to be 450 feet long, 75 feet wide and 45 feet high. Make a roof for it and finish the ark to within 18 inches of the top. Put a door in the side of the ark and make lower, middle and upper decks. I am going to bring _____ on the earth to _____ all life under the heavens, every creature that has the breath of life in it. Everything on earth will perish. But I will establish my _____ with you, and you will enter the ark-you and your sons and your wife and your sons' wives with you. You are to bring into the ark _____ of all _____, _____ and _____, to keep them alive with you. Two of every kind of bird, of every kind of animal and of every kind of creature that moves along the ground will come to you to be kept alive. You are to take every kind of _____ that is to be eaten and store it away as food for you and for them." Noah did everything just as God commanded him.
